PROFILE

I am an enthusiastic and motivated final year MSc Computer Science student with Azure Administrator certification. I have a strong foundation in computer science, including programming languages such as C++ and JavaScript. I am proficient in cloud computing technologies such as Microsoft Azure (AZ 104). I am passionate about learning new technologies and applying them to solve real-world problems. I am confident that my technical skills, combined with my analytical abilities, make me an ideal candidate for any organization looking to grow in the cloud domain.
